**Fireboard Report** -Trustee Borowicz – There have been 187 calls so far this year. This month we had a rollover, CO2 alarm, cables down, low power lines and several assist calls.

**Treasurer Report –** We received a check from the City for $42,000.00 for the quarterly sewer.

**Citizens Comment** –

Steve Cheli asked who Willie's Prune and Groom was, as listed on the Financial Report. That is the company that does the groundskeeping for the hall and beaches for the Township.

Chris Hudak says that the Polish Line approach onto Indian Trail is not long enough. He has used a leaf blower to clear it of gravel several times already. He says the bigger trucks are pulling gravel onto the pavement as they take off and that the end of the approach onto Richardson Road already has chunks of pavement broken off from trucks spinning their tires.

**Adjournment -** Motion to adjourn meeting at 7:38 p.m. by Schramm, supported by Beebe.
